REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claim 15 is allowed at least for the reason that the prior art of record does not teach or reasonably suggest the optical disk medium, comprising a substrate having a structure of an uneven-like shape on a flat surface; a first reflecting film formed on the substrate and having a surface contoured to the uneven-like shape of the substrate, for reflecting a light having a predetermined wavelength, a resin layer having an uneven-like shape on a flat surface directly formed on the first reflecting film, and a second reflecting film formed on the resin layer and having a surface contoured to the uneven-like shape of the resin layer, for reflecting a light having a predetermined wavelength, wherein the uneven-like shapes of the first and second reflecting films represent information, respectively, and wherein the first and second reflecting films lie in a range from a predetermined plane where a spherical aberration becomes substantially zero, to ± 50 μm in a direction perpendicular to the substrate, as set forth in the claimed combination.

Claims 24, 26 and 28 are allowed at least for the reason that the prior art of record does not teach or reasonably suggest the optical disk medium comprising a substrate having a structure of an uneven-like shape thereon, a first film formed on the substrate and having a surface contoured to the uneven-like shape of the substrate; and an intermediate layer formed on the first film and having an uneven-like shape thereon; a second film formed on the intermediate layer and having a surface contoured to the uneven-like shape of the intermediate layer, wherein the uneven-like shapes of the first and second films represent information, respectively, and wherein the first and second

films lie in a range from a predetermined plane where a spherical aberration becomes substantially zero, to $\pm 50 \mu\text{m}$ in a direction perpendicular to the substrate, as set forth in the claimed combination.

The reasons for allowance of claims 14, 17-21, 23, 25, 27 and 29-33 have been stated in the office action issued on 05/24/06.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
